

Fast, Affordable and Green
The Perfect Solution!

All Weather Smoking Shelters

Allied Modular's smoking shelters offer your employees comfort and sense of inclusion while helping you comply with tough legislation regarding workplace smoking.

Designed for offices, factories, pubs, clubs, hotels; any place where people gather, our smoking shelters are manufactured with high quality construction and materials making them durable and tough enough to endure the harshest environments.

Built to fit your needs, we help you configure a look and feel that is perfect for you.

All Weather Smoking Shelters are constructed with:

- Heavy-duty steel framing.
- Steel framing is powder coated bronze for a durable lasting finish.
- Panels are glazed with a heavy-duty bronze tinted lexan.
- Roof is constructed from 3" thick aluminum faced insulated panels.
- Will meet or exceed local wind and snow loads per code.

3 Wall Smoking Shelters
 Provides a safe designated space for staff and customers

4 Wall Smoking Shelters
 Provides additional privacy and wind protection

Now Manufacturing in California and Tennessee for Fast Delivery.
